I'll participate if I can, but don't let my schedule slow this down.

He's gotten back to me and there are others he wants to include in the call so at this point I see it requiring a conference call. If someone could confirm who from EPA needs to be on this call I would appreciate it. Thanks, Libby

Hi Libby,

If you wouldn't mind, I could give Mr. McKemey a call and see if I can give him the cliff note version of Libby and see where we might need to go from there. Let me know if that would work for you and others?

Mike

Hi All,

I'm going to reach back to Mr. McKemey and suggest a call with him. I'll look at your current schedules and propose some dates/times and work with Jody to arrange the call. Who should be included in this invite from the Remedial world? Mike, Dania, Christina??

Thanks, Libby

I can reach out to Mr. McKemey. We don't have any schedule Congressional calls at this time. Both Chad (Tester) and Ron (Daines) are up to speed and always in contact with questions. They haven't committed to coming to Libby but plan on joining at CFAC. Mr. McKemey is welcome to both or either events of course.

Please advise

Hi All,

I haven't responded to Mr. McKemey yet. With the RA travelling to Libby next week are there plans to provide a check in with the Congressional staff on the ground? If so maybe Mr. McKemey can call in? It looks like according to Mike's last agenda that the Congressional staff were invited on a CFAC tour but I don't see any planned Libby Congressional check in. Are there still monthly calls?

Thanks, Libby

Libby,

Quick question. Who would be the best person to talk to for and update on the Libby Asbestos Site? I need to bring myself up to speed!

Happy to hop on the phone.

Hope you had a nice long weekend!

Best,

Hello Tripp,

Thanks for taking the time out of your day to be available. Overall I felt it was a good call and certainly can appreciate the concerns. If you have any follow up questions please let us know. I've cc'd Jody who will set up a follow up once we have more information.

Sincerely, Libby

Libby,

Thank you for getting on the call. That was a little different conversation than I was expecting. If yall would like to follow up at a different time, please let me know.

Again, thank you.
